

February Reading Challenge!

This month's reading challenge asks you to Love Your Library! In this challenge, you will read 5 books that you have checked out from Roby's Library. Bring your reading log with you each time and Mrs. Jeffrey will sign it. When you finish reading each book, write why you loved the book on the bookmark, then cut it out. Leave the bookmark in the book for the next person that checks it out. Don't forget to sign your name!

If you visit the library FIVE times and write why you LOVE the book you read, you will be featured on The Wall of Fame! Your comments about why you LOVE the book will be given to the next student that checks out your book.
